

YOUR VOTE. YOUR RIGHT. 5 THINGS TO KNOW IN CA

- 1. YOU HAVE THE RIGHT TO VOTE:** Vote early - use an official drop box. If you're in line when polls close, STAY IN LINE.
 - 2. DON'T BE INTIMIDATED:** Threats, harassment, coercion, or attempts to frighten or discourage you from voting are illegal.
 - 3. NO PHOTO ID? DON'T PANIC:** California does not generally require photo ID to vote. If someone tells you otherwise, ask an election worker. (Note: *First time voters should be prepared to show ID.*)
 - 4. PROBLEM WITH YOUR REGISTRATION? DON'T GIVE UP.** Ask an election worker about a provisional ballot or conditional registration.
 - 5. YOUR BALLOT IS PRIVATE:** No one can force you to reveal how you voted or tell you how to vote.
- REMEMBER:** Election workers—not campaign workers or poll watchers—handle questions about your eligibility.
